Asure ID® Card Personalization Software - Enterprise

Brand: HID Global
Product Code: SMAH100171

Short Description

Next generation card personalization software for multiple workstations sharing a common database.

Description

Overview

Asure ID Enterprise enables multiple workstations to share a common database over a network, whether Asure ID is installed on a PC or a Windows® Pro Tablet. The advanced and intuitive card design processes provide a dramatic speed boost for designing card templates and entering cardholder data. With Asure ID Enterprise, you have everything you need to design and populate a card. Now you can easily capture or load a photo, or add a digitized signature with a couple of mouse clicks.

Key Benefits

Improved User Interface - user-friendly interface has a similar look-and-feel to the familiar Microsoft® ribbon, allowing you to design and manage the creation of sharp

photo IDs with minimal training.

Databases Demystified - easily print cards from common databases with real-time data exchange to Oracle®, MySQL®, Microsoft® SQL Server®, and Microsoft Active Directory/LDAP.

Advanced Card Design - features include compound data fields, batch printing, conditional design and print rules, and password protection.
Low Maintenance - built-in notifications of free software updates.

Robust Reporting Suite - filter, sort, and group data to build custom reports.
