

# IoT Application Enablement Plattform

**Brand:** Smartjac Industries Inc  
**Product Code:** SMAG1000AEP

## Short Description

Build and Deploy M2M Applications Faster & Easier

## Description

Build and Deploy M2M Applications Faster & Easier

- Connect any type of device over any network
- Combine real-time device data with contextual information from cloud applications and enterprise systems to create actionable business intelligence
- Design, build and manage your applications with ease using pre-built services and tools
- Regardless of the size and scope of your deployment, no matter which networks or what types of devices are involved, the Platform is
- scalable and flexible enough to meet your needs.
